This league is intended to be a normal recreational program. It is BPRD's intention to limit the roster of each team to 8 players, depending on total registration numbers, with a max of 4 teams per age level at each Community Center. If possible, all practices and most regular season games will be held at the Community Center chosen by the participant at registration, again depending on registration numbers. BPRD reserves the right to move a team or player(s) to a different Community Center should the overall needs of the program requires it. The league will keep standings for each league. There will be a Post-Season Tournament with awards for the 1st & 2nd Place teams in each age level.
